Dear Parents,

As we enter the season of inclement weather, I wanted to take the time to inform you of the policies and procedures All Saints Academy (ASA) and the Diocese of Grand Rapids (DOGR) have in place to keep your child safe. School day cancellation decisions, whether it be for snow/ice accumulation or cold temperatures, are made by the Superintendent of Catholic Schools, Dave Faber. I myself cannot close ASA unless a situation occurs that is building specific. An example of this would be the loss of power or broken boiler. In the event that one campus closes for any of the reasons above, the other campus will close as well.

When school is cancelled, I will receive a text from the DOGR immediately after the decision is made. This call may be the night before school or the in the morning the day of. Typically, a call will be made prior to 7:00 AM. DOGR will also automatically report all schools to the local media outlets. When I receive the alert, I will begin to notify all of you as quickly as possible through our own communication channels. To ensure effective and efficient communication, the following steps will take place:

- Send email blast through Infinite Campus.
- Send notification through the ASA App.
- Send text alert through the Remind App.
- Update school website and social media sites.

(You can find directions to the ASA and Remind apps on the attached pages.)

Child Care will be available at the Elementary Campus on snow days unless otherwise communicated.

Student safety remains our highest priority. If school is not delayed or canceled, or evening events continue as planned during inclement weather, please use your own judgement to make the best decision for your family. Your child will certainly not be penalized under these circumstances.

When school is closed, our policy is that any evening event will also be cancelled (sporting contests/practices, concerts, etc.)

Please pay close attention to your inboxes and school sites during these times of inclement weather.

God Bless,
