

February 4, 2020

Dear ASA Families,

A Box Tops for Education contest will be held from now until Friday, February 28! Box tops labels can be found on many different grocery food labels and many common household product labels. These include General Mills cereals, Betty Crocker fruit snacks, Fruit Roll-ups, Nature Valley bars, Hamburger Helper, Totino's pizza rolls, Cottonelle, Kleenex, Scott, Ziploc, Hefty, Kotex, Huggies, and many more. For a complete list of participating items, go to boxtops4education.com.

During last October's contest, we raised over \$700 for All Saints Academy! For this contest, the two winning classrooms (one from each campus) will receive their choice of the top prize: an extra recess, a color day, an ice cream party or a pizza party. Please send your labels to school with your child's name, grade, and teacher's name on it, or it will not be counted toward their classroom. They may be sent in an envelope or by [using the Box Tops collection form here](#). When clipping your labels, please do not clip labels with the word "Scan" on them.

Collecting Box Tops is now easier than ever! Simply download the Box Tops 4 Education app, purchase box top products, and scan your receipt within 14 days of purchase - no clipping required! Any adult (18 years and over), including parents, grandparents, all family members, friends, parishioners and teachers can also download the Box Tops Bonus App - it's free and easy! [For more information, click here](#). We also can accept any old clipped Box Tops that do not have the word Scan on them! Traditional Box Tops are being phased out of production; however, you can still find them on some products. If you scan your receipt and turn in the Box Tops, this will double our earnings!

God Bless,

Mr. Michael Debri
Executive Director/Elementary Principal
