

Knowledge is a Seed... it GROWS when you Read!

ASAMS Reading Month 2019-2020

Reading Month Activities

Deck out the Doors - Students will research and choose favorite reading slogans to decorate the middle school doors.

Battle of the Books - Mrs. Ott will pull up the data that determines what books are most read and best loved from our library...and then the voting will begin!

Book Trivia - After morning prayer, homerooms will compete in a book trivia challenge.

Chart the Genres - Independent reading is a part of our curriculum at ASAMS. Students will chart the books they read throughout the month in the gym by genre. Who's reading what? What's the most loved genre? And what a great place to go and get a book recommendation!

Get Comfy and Read - Wear your favorite comfy clothes, settle in, and read while enjoying a dirt cup! Each student may bring a stuffed animal or pillow.
