

April 24, 2020

Dear ASA Families,

Remote Learning Resources

There are two new pages within our [Remote Learning Resources page](#) (formerly the COVID-19 Resources page). This main page is full of resources and tutorials for parents to help with schooling at home. Check out the [Morning Prayer page](#) to follow along with the ASA morning prayer at 8:45 am every morning or to pray on your own. The Morning prayer is live streamed on our [Facebook page](#). The [Co-Curricular Resources page](#) is full of optional assignments from our specials teachers (Art, Band, Music, PE, Spanish and Technology).

Comcast and Charter Offering Free Internet to Low Income Families

Both Comcast and Charter are offering free internet options for low income families during the COVID-19 crisis. [Read about their programs here](#). Hopefully this will help everyone stay connected while staying at home.

Share Your Co-Curricular Photos

Have you done something creative with the Co-Curricular classes? (Art, Band, Music, PE, Spanish and Technology) Please send your photos with agiroux@asagr.org. You may be part of a future ASA Today Blog or ASA social media post.

Box Tops Scanning

Although we will not be collecting clipped Box Tops for Education until next Fall, you can continue to SCAN your receipts each time you shop. Download the Box Tops for Education app, and scan your grocery receipts within 14 days of purchase. ASA will receive credit for both scan only and clipable box tops. If you clip and save your box tops, we will receive double credit for them. Please do not clip Box tops with the word SCAN on them.

West Catholic HS Summer Camps

It's comforting to think that life may be closer to normal by summer. West Catholic High School is offering a number of summer camps, including Athletics and Fine Arts. The camps are now available for registration. They have switched to an online registration system! It is a very simple tool, one of which many colleges and universities use. With so much uncertainty right now, please know you can register your children for free, and they will simply be placed on a wait list for the specific camp. Once WC knows for sure the camp will run, they will communicate back out to you and let you know your child is now an official camper and would need to pay at that time. [The link for the WC camps can be found here.](#)

BARK - Concerned About What Your Children are Doing Online?

Bark Parental Controls can help identify inappropriate bullying, suicidal ideas and sexualized comments in many apps, keeping parents informed. There are few options for monitoring Snapchat and Instagram. [You can read more about BARK here.](#) BARK is the ONLY social media monitoring solution we recommend at Protect Young Eyes. When you opt in to [free Family Alerts through ASA](#), you are eligible for a discount on Bark. Please note: ASA does not receive any compensation for parents who use Bark.

Tik Tok and Netflix Added More Parental Controls

Both the Tik tok app and Netflix have added more parental controls, and Google's Family Link now allows some Chrome extensions. The blog posts below from Protect Young Eyes to walk you through setting them up:

- [TikTok Adds More Parental Controls](#)
- [Netflix Updates Parental Controls - Finally Locking Profiles](#)
- [Family Link Now Allows Some Chrome Extensions](#)

Please follow ASA on [ASA Today Blog](#), [Facebook](#), [Twitter](#) and [Instagram](#).

The Vision of All Saints Academy is to provide a transformative education that is grounded in the Catholic faith. Guided by the Holy Spirit, this education meets the needs of individual learners, preparing them to make a positive impact on others.

The ASA Sponsor/Community Partner of the week is: Woodland Travel Center

ASA Sponsors and Community Partners financially support All Saints Academy. Please patronize them whenever possible.
