Dear ASA Families,

On Monday, May 4th we will be conducting a drop-off/pick-up day for personal and academic materials for All Saints Academy students. It has been 43 days since we last opened the doors of our two campuses. We know that materials and supplies are running thin in our now over 200 All Saints Academy campuses. The following is important information for May 4.

- Per the Governor's orders, please wear a mask when entering the building. Also remember to keep at least 6 feet between yourself and others.
- Teachers will have all items bagged for pick-up and placed in front of your child's hook or locker. Nothing will be needed inside the classrooms themselves and classrooms will be locked. The only exception will be Toddler Rooms at the Elementary Campus which will be open for parents to access diapers and other personal belongings.
- Please pre-package items, including hardcopies of completed work, being dropped off. Place them in a bag or box with your child's name on it, or the red and yellow folders sent from the middle school, before bringing items in. Place your labeled items in front of your child's hook or locker. Teachers will have access to these items on May 11.
- Return any ASA Library books that you may have at home on May 4.
