Dear ASA Families,

### **Box Tops Scanning -We're \$42.10 Away From Our Annual Goal!**

Please help us reach our annual goal by scanning your receipts. Although we will not be collecting clipped Box Tops for Education until next Fall, you can continue to SCAN your receipts each time you shop. Download the Box Tops for Education app, and scan your grocery receipts within 14 days of purchase. Not sure how it works? [Watch this video for a demonstration](#). ASA will receive credit for both scan only and clippable box tops. If you clip and save your box tops, we will receive double credit for them. Please do not clip Box tops with the word SCAN on them.

### **Reminder: Unblock YouTube For Students With Parent Permission**

If you wish to unblock YouTube for your child's ASA Google account for the remainder of the school year, please complete this [YouTube Parent Consent form](#).

### **Theology of the Body (TOB) Virtual Conference**

Throughout this school year, Catholic school teachers in the Diocese of Grand Rapids have been studying Theology of the Body, St. John Paul II's teaching about God's vision of the human person and human sexuality. This faith formation is further preparing faculty for teaching about what it means to be made in the image and likeness of God. Because of this focus, the Office of Catholic Schools is sharing information about a [free virtual conference](#), for staff and families, being held by [Theology of the Body Institute](#), May 8-10. It features more than 50 speakers, artists and clergy, including Christopher West, Sr. Helena Burns, and Fr. Timothy Gallagher. [More information is available here](#).
