Dear ASA Families,

Please Let Us Know Your Plans

In order to make plans for the 2020-2021 school year, it is important that we know what your plans are for next year - even if you aren't sure.

Returning? If you already completed a paper registration and nothing has changed for your family, nothing else is needed at this time. If you can't remember if you turned in your paperwork, [simply complete the short online form](#). If you have yet to complete registration, please use the online form.

Not sure yet? If you are hopeful to return, but just don't know for certain, [please complete the online form](#) and email Mr. Debra with any additional information you would like to share.

Not returning? If you know you are NOT returning to All Saints Academy next year, [please fill out the form](#) by selecting "We will not be returning to All Saints Academy for the 2020-2021 school year."

Can/Bottle Drive This Saturday and Sunday!

ASA Home and School is hosting a Can and Bottle Drive this weekend! Get your returnables bagged up and out of your garage! Check with your neighbors; they're not ok. Their returnables are also taking over their space. Offer to take them off their hands.

What: Can and Bottle Drive - Goal: 5000 cans and bottles!

Where: Behind ASA Middle School, near the barn

When: Saturday, May 16 10-11:30am and 4-5pm AND Sunday, May 17 12-1:30pm

*****Please be respectful of our volunteers and others dropping off contributions, wear a mask or face covering. Thank you!*****

Child Care Services May 26-29, 2020

We are planning on opening our child care to current ASA students on May 26. According to the Governor's executive orders, we can only provide services for children of essential workers at this time. Please assist us in our planning by completing [this Child Care for Essential Workers form by May 20th](#) if you are interested in attending May 26-29. We are hoping to offer services through the summer and open our facility to all families including the non-ASA students by June 8th. Please watch for future emails with all of the details.

Pray Specifically For the Purity and Protection of Our Children

Even Christian parents need to be reminded of the monumental power of prayer in the fight for the hearts and minds of our children. This is especially true in the digital age! Lord, please help us! Then, equip yourself with education about what kids are experiencing by [watching videos from Protect Young Eyes](#) and [reading about resources that can protect your family](#).

Please follow ASA on [ASA Today Blog](#), [Facebook](#), [Twitter](#) and [Instagram](#).
