Dear ASA Families,

Since we were not able to have a live talent show this year, two of our 7th grade students have developed an idea. For their final science passion project, Josh Murray and Hadrian Smith, would like to invite ASA students to submit a picture or short video of them performing a talent for a year end Talent Showcase.

This is not a mandatory task, but we do have some requirements for students:

- Before submitting an entry, discuss it with your parents to make sure it is reasonable, safe and school appropriate.
- Please share entries via email with Miss Giroux [agiroux@asagr.org](mailto:agiroux@asagr.org) by Wednesday, May 27th.
- 4th - 8th grade students, there will be a Talent Showcase submission option on the Calendar in Canvas for you also.
- Limit video entries to 2 minutes, please.

Suggestions for entries:

- Photographs of artwork, crafts, baking projects etc.
- Video submission of jokes, dances, songs etc.
- Google Docs of poetry

We will aim to have something assembled to share with the ASA community to wrap up the school year.

God Bless,
