

## CATHOLIC SCHOOLS

DIOCESE OF GRAND RAPIDS

May 5, 2020

Dear school parents and parishioners,

We invite you to take advantage of a new program to save money on cleaning materials, bathroom supplies, office and technology equipment, and more from Office Depot and Xperience Inc. With the shift to learning at home, and in many cases working from home, we hope this program helps the family budget go further.

This program is available to you as a school family, and additionally to parishioners in the Diocese of Grand Rapids, because several Catholic schools in the diocese participate in it. Xperience Inc helps schools and parishes leverage their combined purchasing needs to save on products from over 700 brands such as Scott, Clorox, Epson, Microsoft, Kimball, and others. The products are sold by Office Depot, Xperience Inc's key partner in this program. Now you can purchase these products at the same national program pricing that is available to our schools, and your orders will be delivered for free to your door, just as they are at school. I have tried the program myself, and I was very pleased with both the pricing and the speed of the free shipping.

Visit <https://community.officedepot.com/GPOHome?id=31240591> to begin taking advantage of this program. When filling out the new user registration:

- List the company name as "Diocese of Grand Rapids"
- Select the first option under number of employees
- Complete the shipping address fields with your information

If you have questions about the program, we invite you to contact Dennis Toohey of Xperience Inc at [dtoohey@xperienceincorporated.com](mailto:dtoohey@xperienceincorporated.com) or 707.362.6034.

Xperience Inc and Office Depot are helping participating Catholic schools do more with their finances. We hope you enjoy these savings, too.

Sincerely,

David A. Faber  
Superintendent of Catholic Schools
