

July 21, 2020

Dear parents,

Thank you for submitting your questions and comments in preparation for tonight's virtual town hall meeting at 6:00 PM. [Here is the link to the Google Meet to join.](#) Our goal for tonight is to have an open dialogue about concerns for beginning the school year in our current COVID-19 state. While we have discussed some plans and ideas as a staff, we want to use this opportunity to gather yet another data point to inform our plan. There may be some things we have not considered from a parent perspective so this is a great chance for all voices to be heard. The meeting will be recorded and shared if you are unable to attend. There are three major documents that will be important for your reference. They are linked below.

- [Michigan Safe Schools: Return to School Roadmap](#)
- [Kent County Health Department COVID-19 Toolkit](#)
- DOGR 2020-2021 Return to School Plan - Look for this document later today or tomorrow morning directly from the Office of Catholic Schools.

These documents have been the starting point for any plans developed thus far and will continue to be important guides moving forward. Our handbook will be updated in early August to reflect changes based on these documents.
