Dear ASA K-8 Families,

To begin the school year, the ASA shuttle will only be able to transport 30 students at any given time. In order to meet the requirements, All Saints Academy is restricting the shuttle to students who either 1) use before and/or after school child care or 2) walk to and/or from school. Each student will be issued a "Shuttle Pass" once registered. Students not registered will not receive a Shuttle Pass and will therefore not be allowed on the shuttle. All students must wear a mask while riding the shuttle. [Please register your child for the shuttle by filling out this shuttle form.](#) Please complete one form per student.

If you haven't already registered your child for K-8 Child Care during the school year, please do so now by [completing this child care form.](#)

God Bless,
