

August 14, 2020

Dear ASA Families,

School Begins Next Week!

Be on the lookout for an email on Monday with even more information for the start of school. Updated drop off/pick up maps, Handbook information, schedules, etc., just to name a few. We are ready for our students to join us!

Supplies and Paperwork Drop Off

On Monday August 17th there will be a table at the main entrance of both buildings to drop off your child's supplies and beginning of the year paperwork. Please have supplies clearly labeled with your child's name and grade.

If you are unable to drop supplies and paperwork off on Monday the 17th they can be sent with your child on the first day of school.

COVID-19 Preparedness and Response Plan

[All Saints Academy's COVID-19 Preparedness and Response Plan](#) was submitted to the State of Michigan this week. You can access the full document on our website here.

This is a general plan that meets the state requirements for opening school. The [ASA COVID Handbook Appendix](#) has more ASA specific, day-to-day information. We will be updating this Appendix and adding it to the ASA 2020-2021 School Handbook.

Google Access for Google Meets

Google Meet has made a few changes over the summer. As you prepare for your Google Meet with your child's teacher, there is a chance you may have trouble connecting. If you cannot connect with your teacher, try signing in with your child's *dogrschools.org* account. You can also create a free Gmail account if you do not have one. If neither of these options work please contact your child's teacher to discuss other solutions. We apologize for this possible inconvenience.

Supply Lists

Student supply lists can be found on the asagr.org website, on the Forms and Documents page, under the Beginning of the Year heading. [Here is the link.](#)

Uniform/Dress Code

This information is available on the [uniform page of our website](#), asagr.org. As with most parent information, you'll find it under the Current Families tab at the top of the site. Included on this page is the Dress Code policy, uniform vendors, and where you can get your shirts embroidered. There is also a description of Spirit Days and Color Days.

Uniform Exchange

We are not accepting items into the uniform exchange at this time. We do have items available, so if you are in need of an item from the exchange please contact one of the school offices about your need so we can help you out.

Stay in Touch at ASA

We have several ways of communicating with parents. Email is the main communication tool. In addition to email, you can sign up for Remind Text Alerts or install the ASA app on your mobile device and receive notifications. Subscribe to the ASA Today blog to receive news about things that are happening at school. Details about all these tools are available on the Parent Communications page of our website. All the emails we send to all families appear on that page, so you can always check to see if you missed any. There's a link to the [Parent Communications page](#) on the home page.

School Calendar

Keep up with school events [with the school calendar](#). It's also available on our website, under the Current Families heading. It is a Google calendar, so you can add it to your mobile device as well. This calendar is always the most current.

3rd-8th Grade "Outdoor Learning" Supplies

To facilitate outdoor learning, we would like to ask 3rd through 8th grade students to bring in a beach towel or yoga mat labeled with their name that can be used as a seat marker outside. Items need to be able to be stored in lockers so please stick to the beach towel or yoga mat size. Beach Towels can be taken home on Fridays to be washed and returned Mondays

Elementary Campus Office Assistant Position Available

We are seeking candidates for an office assistant at the elementary campus for the 2020-2021 school year. [Details are available here.](#)

Please follow ASA on [ASA Today Blog](#), [Facebook](#), [Twitter](#) and [Instagram](#).

Upcoming Dates
