Dear ASA Families,

Happy new year! As we announced before break, the hot lunch program is coming back to All Saints Academy, on school days, for the remainder of the school year COST FREE for all students from Toddlers to 8th grade. Below is an action item for you to complete by Wednesday of this week as well as some additional information.

Action Item

ASA is partnering with West Catholic High School for our school lunches. Lunches will be made and individually packaged at West and be delivered to both of our campuses just prior to the lunch hour. To help West plan for ordering [please complete this order survey for January by Wednesday, January 6](#). Please know that this is NOT your official order but will assist West Catholic in determining order quantities. Teachers will take a daily lunch count each morning.

Other Information

- Lunch will be served on school days ONLY. There will not be lunch for child care on days when there is no school.
- You can find [a printable version of the January menu](#) on our ASA app or on our website at asagr.org/lunch-menus.
- Students will order lunch each morning as they have done in the past. If your child forgets their lunch they will have the option to order hot lunch from West Catholic. Each homeroom teacher will have a procedure for lunch count.
- Milk will be available a la carte and will need to be ordered each morning as well.

We are grateful for our partnership with West Catholic and the ability to offer this service to each of our families. Thank you for your patience during the first part of the school year.

God Bless,
