

ASA FINANCIAL AID APPLICATION FORM
2021-2022 School Year

Please submit to All Saints Academy by May 1, 2021.

The goal of All Saints Academy is to be able to provide a Catholic education for any family that desires it. Financial investment of parents continues to be one of the biggest barriers to enrolling in a Catholic school. As a way to alleviate this barrier for those who qualify, ASA has outlined the following steps for parents to apply for financial assistance.

1. Complete the SMART Aid application if not already completed.
2. Request additional funds from your home parish by March 15, 2021 (if applicable). You must have completed the Parish Investment Request Form before requesting additional aid.
3. Request funds from All Saints Academy by May 1, 2021.
