

ASA Middle School Campus Pick Up Loop

Please do not wait on 4 Mile

- Please do not block the entrance to the teacher's parking lot off of 4 mile.
- If you arrive and the car loop is backed up to that entrance, please pull into the teacher lot, forming a second loop and wait for the first loop to pull ahead.
- There is a black arrow on the map above outlining this secondary loop.
- We will also put the sign out there and have a teacher direct traffic for the next week or so to determine if this provides enough additional space for the first loop when it is needed.

Traffic Flow

- Parents or approved drivers picking up students will form two rows outside the main school entrance.
- The yellow line closest to the sidewalk will exit the St. Jude property at Assumption.
- The red line will exit the St. Jude property at 4 Mile.
- Please pull up as much as possible.

Dismissal

- 3rd -5th grade students will exit the building through the parish entrance.
- 6th- 8th grade students will exit the building through the main school entrance.
- Shuttle bus riders will be dismissed first and proceed to the bus stop in front of St. Jude Church.
- Car riders will exit with the homeroom and wait until it is safe to get into their cars.
- Teachers will assist students in finding their cars.
- Once the entire first loop is loaded, cars will be waved on to exit via their respective routes.
- The next loop will follow, filling in the open lanes. Once the second loop is stopped students will be allowed to load cars.
