

Developing an Action Plan for Extraordinary Mission Month (EMM), October 2019

To be used at TPMS Conference, Thursday, May 2, 2019

As you think about developing your EMM plan for your own diocese and/or parish, consider the four dimensions Pope Francis lays out:

Personal encounter with Jesus Christ living in the Church (Mass, liturgy, personal and communal prayer)

Testimony: witness stories (global and local), missionary saints, martyrs

Missionary formation: biblical, catechetical, spiritual and theological – reflection and discernment on testimony, calling, vocation

Missionary charity as a call to action! Participation through time/talent/treasure, Advocacy

Using the table below, identify opportunities for engagement that you would like to implement in your arch/diocese.

| EMM Dimension | Activity | Who will help? | Whom will we engage? | When will it take place? |
|---------------------------|-----------------|-----------------------|-----------------------------|---------------------------------|
| Personal Encounter | | | | |
| Testimony | | | | |
| Missionary Formation | | | | |
| Missionary charity/action | | | | |

Lastly, how will you evaluate these efforts? Who will help you to do so?
