Faith Has Saved You

* Jesus said to him in reply, "What do you want me to do for you?" The blind man replied to him, "Master, I want to see." Jesus told him, "Go your way; your faith has saved you." Immediately he received his sight and followed him on the way.

RESPECT LIFE MONTH & END OF LIFE ISSUES: ADVANCE CARE PLANNING

As you may know, there has been a great deal of discussion over the last few decades about advance care planning (this taking various forms such as advance health care directives, living wills, designating a health care proxy, Physician Order for Life-Sustaining Treatment or POLSTs and Medical Order for Life-Sustaining Treatment or MOSTs etc.). It is also part of current discussions concerning possible changes to Medicare. The USCCB has recently provided some comments that might help us in looking at such directives, as well assisting us in being clear in our own minds as to what our faith has to say about this important issue. So, here is a summary of the comments...

First, the Church has no objection to encouraging people to consider treatment decisions they may have to make in the future in the light of their personal values and medical condition. In fact, there are many Church-based resources available to help us with such decisions (for example see: “Now and at the Hour of our Death: Catholic Guidance for End-of-Life Decision Making”, www.catholicendoflife.org/resources/). Two key principles here are that each human life at every stage and in every condition has a God-given dignity, but also that the moral obligation to preserve one’s life has certain limits particularly when the means offered for supporting life may be useless or may impose burdens that are disproportionate to their benefits (see: usccb.org/issues-and-action/human-life-and-dignity/end-of-life/euthanasia/index.cfm#church). It might also be added that encouragement from government or other agencies for a person to make future health care provisions should be to enhance patient autonomy and care and not be motivated by a desire to save on health care costs.

There are three main types of advance care directives. First, a person discusses his or her values with loved ones so that they will be ready to discuss the best course of action in the light of current medical information when a decision becomes necessary. Secondly, the person may formally designate a trusted person to serve as a surrogate decision maker (such as a health care proxy). Thirdly, a person may sign an advance care directive or plan such as a “living will”, attempting to make choices in advance regarding particular treatments in particular future scenarios.

Each type of directive has its strengths and weaknesses, but the third type seems to be particularly encouraged at present (with its variants such as “MOSTs” and “POLSTs”). However, this type has some particular weaknesses and concerns. In short, it is “at best, a blunt instrument for making medical decisions.” Why? Well, it cannot take into account the myriad details of a patient’s future condition or will, or the probable risks or benefits of various (future) treatments. Also, it is very hard to predict, in advance, how a person may assess life in a future condition that they may have before they have actually experienced it.

Furthermore, some standard forms or protocols can be provided by various agencies (for example with MOSTs and POLSTs), but these need to be examined and assessed with great care before being signed. For example, some of these standard texts or forms propose a withdrawal of treatment not only in response to a terminal illness, but also to an irreversible disabling condition, with a possible implication that life with a serious disability is no life at all. Other texts imply that assisted feeding and hydration are somehow optional medical treatments on the same level as aggressive surgical or medical procedures, despite considerable moral and medical objections that such means are best understood not so much as forms of medical care but rather as forms of normal care generally owed to all patients. So, for example, the use of a feeding tube is not of the same order or nature as putting a person on a ventilator.

So, the USCCB panel advises that “advance care planning should acknowledge the full range of advance care planning options, including those which rely on discussion and collaboration among family members, instead of on prepackaged documents that may be biased towards withdrawal of treatment.” Any directive/planning document also should be read with the utmost care to ensure that it fully protects a person’s well-being and religious values. We can also inform ourselves about what is best and what our faith has to say by consulting the resources mentioned above as well as resources such as “The Bias Against Life-Preserving Treatment in Advance Care Planning”, a document from the National Right to Life Committee that can be found at www.nrlc.org/uploads/communications/advanceplanningbias2015.pdf.

Don't Miss It!
Hello friends!

Hopefully you’ve had a chance to check out some of the many ways we try to enrich the faith of our community outside of Sunday Mass.

We have many special “audiences” that we work with within our various ministries that cater to people of certain ages or life situations.

We also hope to do many things for the whole community, especially those who want to grow in understanding their faith at an adult level.

For people who want a good introduction to the Bible, check out our 4-session program continuing on October 28th (see above). We’re also planning to both an Advent speaker series and an Advent weekly retreat (more info to come!).

Also, we post video of our sessions on our parish website (www.stambroselatham.com/media).

There are so many ways to grow: both from here and at home. We hope you take advantage of them!

In Christ,

Tom Acemoglu

Mission Work 2016
Dominican Republic

Great ways to support the Mission Trip and enjoy some good food too! We have contacted some area restaurants and asked them to support us and they said hey lets trade. So on the dates listed for each place if you go and eat there all you have to do is mention St. Ambrose and they will give us part of whatever you spend. Easy and fun for all so please have a nice meal with family and friends on the date listed at each restaurant and you will be supporting the mission trip to the Dominican Republic. Thank you so much for helping. Please keep this mission trip in your prayers. As you read this we are there doing a preparation and set up trip to be ready for our February group. Thank you so much for allowing and empowering us to be the hands and feet of St. Ambrose Parish Family as we journey off to serve our brothers and sisters in Christ. Now all you need to do is—Go get some good food! And have fun doing it.

PLEASE
You are invited!
Catechetical, Faith Formation, youth ministry Leaders Retreat—lead by Lifeteen.
If you teach faith here at St. Ambrose on any level you are welcome to join the group attending the up coming Leaders Retreat.
It will be November 6th , 7th and 8th at Christ the King Spiritual Life Center http://www.ctkcenter.org/
Please come and join us on this weekend of prayer, contemplation and fellowship.
Cost is based on your availability to attend. You can custom make this retreat to fit your needs by contacting the Lifeteen Office at 785-1351 and letting us know what dates and times you would like to attend. We can also give you more information and directions. It is a quick 45 minutes away in beautiful Greenwich, NY. Your time is valuable but your soul is precious. Come spend some valuable time working on your eternal life with Jesus Christ.
During the month of November, we traditionally pray for our family and friends who have died. We have some special “All Souls” memorial envelopes available. There will be two Masses offered (6:30am & 7:00pm) for all those named on 2nd November (All Soul’s Day) and each day during the month of November. Please use the space on the back of the envelope to write down the names of those you wish to be remembered and then place the envelopes in the collection basket as it comes around at the weekend Masses, or leave the envelopes at the Parish Office or in the Sacristy. Please make sure that the envelopes are returned as soon as possible so that the names can be included in the Mass intentions. The envelopes will be placed at the altar during the month of November and those named on the back of the envelope are prayed for during Mass. There will also be a Book of Remembrance for you to write down the names of loved ones who have died.

On Sunday, 1st November during the 11.30 am Mass, we will have a special remembrance ceremony for all our recently deceased parish members who have had a Funeral Mass or liturgy at St. Ambrose during the last year (the annual “Healing of Memories Mass”). The ceremony will involve some special prayers, the reading of the names of the deceased parish members and the presentation of flower. After the Mass there will be a reception in the McCormick Parish Center. The families concerned should have received an invitation to this event, but if you have not please do contact the Parish Office as soon as possible. Also, if you have had a family member (from St. Ambrose or any place) who has passed away in the last year but whose funeral took place elsewhere, you are warmly invited to participate in the ceremony too. Again, please contact the Parish Office giving your name, the name of the deceased family member(s) and how many family and friends you estimate might be coming.

At this busy time of the year, it is good to remember that our Day Chapel (to the right side of the church) is open for prayer during the day. Some people have asked about the “official” opening times for the Day Chapel and for the Church, so here they are…

The Day Chapel is usually open from 5.45 am Mondays to Fridays (except if there is something like a public holiday). The Day Chapel usually closes on weekdays at around 9.00 pm (except on Fridays when we have Eucharistic Adoration and the chapel is open until midnight).

On Saturdays, the Day Chapel is open from around 8.00 am until shortly after the end of the Saturday evening Mass (the main church is usually opened at 2.45 pm or so, ready for the celebration of the sacrament of reconciliation and then for the 4.30 pm Mass).

On Sundays, the Main Church and Day Chapel are open from around 6.45 am (or a little before) until after the 5.30 pm Mass.

The Day Chapel is a wonderful facility to have, especially as we have the Blessed Sacrament reserved there too; so please do make use of it if you wish. Call in, even for just a few moments of prayer, peace, focus and reflection on the way to or coming back from school, work, shopping, running errands or whenever you are just passing by the church. Those few moments will certainly not be wasted…!

Ushers Needed

We are in need of Ushers for 7:30 AM Mass. This is a great opportunity to serve St. Ambrose and help people at the same time. Please call John Estep at 783-9266 or talk to an Usher at Church.

Two months ago we had the MARYKNOLL LAY MISSIONERS here for a collection for their wonderful ministries. Apologies that it took this long to get a final count, but we believe we have all the donations and the total collection was $811.00. Thank you to everyone for your generous donations!

“Life Does Go On” and how to help it along.
Come and learn how to engage in ways that will truly help you in your journey toward healing.
Free—All Welcome!
The Family Life Ministry is designating NOVEMBER as the MONTH of SERVICE

What is the key aspect when you think of a family? Love…and Service. Service to one another, helping each other, sacrificing our love, our conveniences, and our comforts so that someone else may be more comfortable, so that they are happy and live a better life. This can be in our immediate families, but also our “Parish Family”. It all comes down to service. We should treat everyone as family. We should serve them as if they were our own family.

For next month our ministry is asking for two questions—

First—Do you know someone in our Parish Family that needs assistance in fall cleanup—either inside or outside? Do you know someone who needs assistance in a small project, like cleaning out the garage, or painting a room, etc.? PLEASE contact Justina our Faith Formation Secretary at 785-1351 x307 or faithformationaa@stambroselatham.com with the info.

Second—Would your family like to give back to our Parish Family by sharing your time/talents/comforts. Also PLEASE contact our Faith Formation Secretary Justina at 785-1351 x307 or faithformationaa@stambroselatham.com with the info.

Thank you and God Bless.

Was there a Sister or Brother in your life you’d like to thank God for? That Religious may be still in your life today. Come join us for a hour of prayer on Monday, November 2nd at 7:00pm to remember that Sister, living or deceased, and all those who have gone before us on the Feast of All Souls during the Year of Consecrated Life. Please join us for an hour of Eucharistic Adoration starting at 7:00pm at St. Joseph’s Provincial House, 385 Watervliet Shaker Road, Latham. For further information please contact, Sr. Jeanne Marie Gocha, CSJ, at 783-3605 or jgocha@csjalbany.org.

All are welcome!
