THE CHURCH YEAR ENDS: THE GIFT OF TIMES & SEASONS

This weekend we celebrate the feast of Christ the King. It marks the completion of our church’s liturgical year, as next week we will begin the season of Advent once again. The annual cycle is very familiar to us as we move through the various liturgical and religious seasons. We begin, of course, with Advent, as we prepare for the coming of the Lord at Christmas. After Christmas and the new calendar year, we quickly move into the special season of Lent when we journey for forty days and nights in preparation for Holy Week and Easter. We then celebrate the resurrection of Jesus for fifty days during the season of Easter, before marking the coming of the Holy Spirit and the “beginning” of the church and its mission at Pentecost. In the late Spring, through the Summer and into the Fall, we keep “ordinary time” when we follow our Lord’s ministry and mission, guided by one of our Gospel writers (Matthew, Mark or Luke). In 2015-2016 it will be Saint Luke’s turn and this is very significant as Pope Francis has decreed a special jubilee year of mercy that begins on the 8th December this year. It is no coincidence, as St. Luke’s gospel is often called “the gospel of mercy” and so he will be our guide in the year of mercy.

The annual cycle in our church’s calendar has a number of purposes. It is, of course, to remind us of all the great events that have led to our salvation: it is rather like an annual cycle of remembrance. It also reminds us of the need to sanctify or “make holy” time: to see time not just as a thing or a commodity, but as a medium through which God is ever present and working and that time is therefore also a gift and something we are challenged to use well in love and service of God and our neighbor.

In fact, the people of the Bible had a very deep understanding of time: perhaps far deeper than we generally have today! There were three quite different meanings or ideas of what time is and all of them had a particular religious significance. The first was called chronos from which we have our words like chronometer or chronological. This is the simplest idea of time, where time is like a line or a series of things one after the other and it is probably the main idea of time that most people have. But, there were also two other concepts of time in the Bible. A second meaning was called kairos: this refers to what we would call a right time or a special time. This had a very important religious meaning, because people were acutely aware that God acted when the time was right. So, for example, Jesus was born “in the fullness of time”; at the right time...when God chose. When we think about it, this second idea of time can be a great antidote to us being impatient with God, or of fooling ourselves that we are ultimately in charge of things, that we always chose the time. In the end, it is God’s time! It is also why anniversaries and annual memorials (such as feast days or saints’ days) are so important in our Christian calendar: we remember and celebrate those special or right times.

A final concept of time was also central to the people in the time of the Bible and also is really important for us as Christians. It was called telos and it means a final time, or a completion of something...a sort of final point or end when a project or plan would be completed. This idea is something we will celebrate during Advent (when we focus on the coming of Jesus not just at Christmas, but also at the end of time) and something we pray about at every Mass when we hear “we wait in joyful hope for the coming of our savior Jesus Christ.” This understanding of time is also really important as we review our own lives and think of when our life’s journey is complete: when we reach our “telos” or end point. What was God’s plan or project for me? Did I follow it? Did I complete it and reach a good end point? In other words, did I reach the “telos” or purpose or end point that God had in mind for me during my life…? As Saint Ambrose wrote, death should not be feared, because it should be the “flowering of goodness.”

As our liturgical year comes it its end and we begin a church new year, let us also reflect upon time as God’s gift to us (rather than simply seeing it is as a burden, or as a commodity or something that we just never have enough of). Let us be aware of God’s action and presence in our time and also be aware of those “right” times when God may call us to a special purpose or project. Finally, let us use the gift of time here and now well, so as to prepare for that “end” time when our journey through life comes to its completion.

Math Counts
Hello Everyone! My name is Lily Spera, and I am the Middle School Math Teacher at Saint Ambrose. I am so excited to share with you all that this 2015-2016 school year Saint Ambrose will have their first-ever Math Team! Based on their outstanding mathematical abilities, five students from Grade 5-Grade 8 have been invited to represent Saint Ambrose in the 2015-2016 National Math Club Activity Series and Competition Series, powered by Math Counts. For the Activity Series, the kids will be working together to complete nine engaging activities, which will help them explore topics like the Pythagorean Theorem, transformations, perimeter/area, probability, and investments/interest. The Competition Series will challenge our students individually and as a team at possibly 4 levels of competition: school, chapter, state, and national. Each competition will give our students a chance to compete in live, in-person math contests against and alongside their peers. I am so thankful and excited to be given the opportunity to coach a group of kids that are excited and determined to “do” math. In February, be on the lookout for an update on our performance at the first level of competition!

ODYSSEY OF THE MIND
23 students in grades 1-5 are working together in teams to think creatively and innovatively in preparation for the Odyssey of the Mind competition Catholic Schools Week. The winning team will go on to represent St. Ambrose School at the regional competition in March.

The Family Life Ministry is designating NOVEMBER as the MONTH of SERVICE

What is the key aspect when you think of a family? Love... and...Service. Service to one another, helping each other, sacrificing our love, conveniences, and comforts so that someone else may be more comfortable, so that they are happy and live a better life. This can be in our immediate families, but also our “Parish Family”. It all comes down to service. We should treat everyone as family. We should serve them as if they were our own family.

For next month our ministry is asking two questions—

First—Do you know someone in our Parish Family that needs assistance in fall cleanup—either inside or outside? Do you know someone who needs assistance in a small project, like cleaning out the garage, or painting a room, etc.? PLEASE contact Justina our Faith Formation Secretary at 785-1351 (307) or faithformationaa@stambrosetatham.com with the info.

Second—Would your family like to give back to our Parish Family by sharing your time/talents/comforts. Also PLEASE contact our Faith Formation Secretary Justina at 785-1351 x307 or faithformationaa@stambrosetatham.com with the info.

Thank you and God Bless
