**Faith Formation**

To those who have been Baptized, made their First Communion or Confirmation this year:  
We hope you always feel at home here at St. Ambrose. The Church needs you, your passion for life and your gifts. The Holy Spirit gives to you a gift today to renew the world around you. God’s power lives in you and you need only to ask for His help and He’ll give it. Congratulations and you will always have our support!  

To those who were Baptized and made their First Communion and/or Confirmation some time ago:  
As you see these young people make their Confirmation, understand that the same power of God that dwells in them today and that dwelt in the Apostles at the first Pentecost still dwells within you now. Ask that Holy Spirit for help, to renew your lives and your faith and the Holy Spirit will surely help you!  

To those who never Baptized or made their First Communion or Confirmation:  
It is never too late to make this great sacrament. Every year we have people of all ages prepare for and make the sacrament. Reach out to us today and this time next year this gift can be given to you!  

To those who are here with us and might not believe:  
Thanks for supporting those people in your life who do believe and we hope your relationship with one another is filled with love and support. If you have questions about what we believe, there are many here who would love to answer them. They’d also love to listen to you, your ideas and experiences. If you’ve been hurt by Christians in your past, we are so sorry and hope we can do our part to make up for what went wrong. You are always welcome here!  

To those Christians who are here with us and who aren’t Catholic:  
We’re so grateful to have you here, united in our faith in Jesus both through the Word and the great Sacrament of Baptism. Let’s always been united in prayer, confessing Jesus as our Lord and Savior. If you’d like to know more about our tradition and its sacraments, many of us would love to share with you what we believe from our perspective. Still, we are most grateful to share with you.

**Multiplication Madness**

Third grade has worked hard all year to learn and memorize their multiplication facts. On Thursday, May 17th they challenged their parents to a multiplication competition. Third graders and their parents had a lot of fun demonstrating their multiplication knowledge through all the different games we use throughout the year. Students took an early lead in the competition by winning the “wheel.” Then we went onto the other events which included “Around-the-World,” multiplication hopscotch, and the “Mad Minute.” The parents ended up winning the competition but a great time was had by all!
