Feliz Ano Nuevo!
There has been a lot happening in Spanish class so far this year. Pre-K classes have been learning a combination of basic greetings, colors, numbers 1-10 and weather symbols. This coming week they will be introduced to farm animals with songs and videos.

Our 1st graders are learning all the colors, numbers 1-20 and some animals. This week they will be introduced to the days of the week and some weather terms.

In 2nd grade we are also learning colors, numbers 1-29 and counting by 10’s. In addition we are learning the days of the week and month. This week students will be introduced to the seasons and weather.

Our 3rd graders review all the above material, counting to 100 and the alphabet.

In 4th grade we are learning the Our Father in Spanish, greetings, courtesy words, and numbers up to 100. We are learning Math problems and also beginning to learn to tell time in Spanish.

The 5th and 6th graders have been working very hard. They have been reviewing all of the above material and have been talking about what they like to do in Spanish. They are also beginning to write simple sentences in Spanish.

Urgent! Take Action!
Maintain a Ban on NY Abortion Expansion!

One of the most challenging issues for the Church in NY is the so called “Reproductive Health Act” (RHA)/Abortion Expansion Act legislation that is projected to pass on January 22, the anniversary of Roe vs. Wade. It will legalize late-term abortions to the moment of birth, empower non-doctors to perform surgical and other abortions, could compel participation in abortion/ordsains abortion as a “fundamental right”, eliminates protections for pregnant women and their unborn babies by removing the felony “abortion” from the penal code, jeopardizes live-born babies who are mistakenly born from an attempted abortion, and will increase the state’s abortion rate. Please educate on and/or protest this horrific legislation ASAP! Go to the NY State Catholic Conference website, www.nyscatholic.org, and click “Stop Abortion Expansion”. Thank you!

Sharing truths of the Catholic Church to foster growth in both faith and action among the churched and un-churched, believers and non-believers.

Pray for the Protection of the Unborn
