In Early Childhood Music we have been using the First Steps in Music program by John Feierabend this year. We are learning how to use our four different voices (whisper, speaking, singing, and calling), experiencing musical opposites (loud and soft, fast and slow), keeping a steady beat, and writing rhythm sentences using pies and cherries. We are also exploring musical form through movement as well as using the parachute. We really enjoy singing, playing instruments, using the beanbags, and especially the parachute.

Students in grades K-6 have the opportunity to learn a musical instrument through The Cady School of Music. This year we have students learning to play piano, violin, alto saxophone, flute, trumpet, and percussion. After a fantastic Christmas concert we have begun to prepare for our spring performance. We also have several students who will be participating in the NYSSMA Solo Festival this May at Shenendehowa High School. We are working hard and having fun making beautiful music together!

**SAVE YOUR PENNIES**

The school students are doing a penny drive this weekend to coincide with Catholic Schools week. They are raising funds to get materials for our new STEM (Science, Technology, Engineering, and Mathematics) program. Look for their buckets after the masses.
Ministry Spotlight

Altar Servers
All children that have received their First Communion are welcome to become an Altar Server. Children will learn what is happening at Mass, feel more involved in Mass, and gain an understanding of how important it is to serve others. This rewarding ministry provides support during all our liturgies and worship. Contact Tom Acemoglu at Thomas.Acemoglu@rcda.org in our Faith Formation Office for additional information.
