**ST. AMBROSE BIBLE STUDY**  
**Thursdays, June 6th—27th**  
(Parish Center)

We’ll be going through the four chapters of the Book of Jonah. It’s a great book to introduce biblical studies from a bunch of different approaches. Goals include reading an entire book of the Bible for personal growth, historical and scientific insights, and to see how an Old Testament book points to the coming of Jesus. Let me know you’re coming or just show up!

**PRAYER FOR MOTHERS**

Heavenly Father,  
from the beginning you have chosen to entrust the human person to mothers in a special way. We thank and praise you for the gift of mothers; for their tenderness, care, and compassion, for their intuition and encouragement, for their commitment and sacrifice.  
Bless all mothers this day.  
Keep, strengthen, and refresh them in your loving care.  
May they be blessed by our open-hearted love and gratitude.  
Amen.

**Parish Support**

April 28, 2019  
$17,750.14

April 29, 2018  
$16,037.40

Deepest thanks for your continued and generous support for our parish. Your gifts enable so much to be done in so many ways.
A new program for grades K-4 this year is STEM. STEM stands for Science, Technology, Engineering and Math. Quite often in this course, students are given specific materials and are given the task of designing and building various things. Some of these things have been catapults, towers, and igloos. They’ve used materials such as toothpicks, paper cups, gumdrops, marshmallows, and LEGO.

Currently we are wrapping up a section where the students bring in their own experiments. The student and parents research and choose an experiment, and the student demonstrates that experiment to the class. The student is given minimal help and answers questions from their classmates. Students have brought in fantastic experiments and have done an exceptional job of demonstrating them!

First Communion

We’d like to remember all our kids making their First Communion this year. We begin a new tradition this year of having them receive at Sunday Masses and we hope you welcome them and their families in a special way. May all of our times at Communion be imbued with the same sense of awe and wonder as their First Communion. May all of our Communions be a “First Communion.”

Ministry Spotlight
Prayer Ministry
Mary’s Circle of Love

This ministry meets every other Thursday after the 9:00 am Mass. This is a group for those 55 and older. Don’t let the name of this group “throw you off”. This is for men and women. The main essence of our mission is to develop a spiritual journey in the imitation of Christ. We journey with each other, sharing our joys, trials, fears and triumphs. All are welcome to attend our gatherings. If you have any questions or would like more information please contact Marion Rosenthal 518-785-1992 or Mary Kay Frederick at 518-366-9741 or email her at mkfrederick@gmail.com.
