St. Ambrose School is surely something to talk about! We are composed of talents and interests that make our community something special. We have dedicated staff members who make sure to provide our students with experiences they will remember for years to come, but that wouldn’t be possible without the incredibly generous and devoted families who choose our community to be their extended families. With the holiday season underway, we find our souls renewed and full of appreciation for the many gifts God has bestowed upon us. We enter this important Advent season with grateful, thankful hearts because of all those people following Jesus’ example in our everyday lives. Many of our incredible teachers have shared special time with our students as a way to give thanks for the blessings who sit before us each day. Special stories, projects and meals are some of the many ways Thanksgiving was celebrated within our halls recently, and we are so thankful for our incredible community of families.

Have a Blessed Advent Season!

A BLUE CHRISTMAS SERVICE
Friday, December 20th 7:00PM at the
Church of St. Edward
Is the holiday season difficult for you? Do you struggle with grief, loss, unemployment, isolation? If you have these feelings, it is important to make the space and time to acknowledge your sadness, and to know that you are not alone. You are invited to come and join in sharing prayers, scriptures and music that acknowledge that God’s presence is for those who struggle, and that God’s Word comes to shine light into our darkness and bring us hope.
For further info, call Linda or Tom Molloy at 518-899-9631.

THANK YOU
Due to your generosity our food pantry was able to serve 97 households. This included 197 adults and 165 children.

COME, Lord Jesus!

CHRISTMAS DINNERS FOR FAMILIES
The Food Pantry is seeking donations of gift cards for families for Christmas dinner. Gift cards to grocery stores in the amounts of $10-$25 would appreciated. Please have gift cards in by December 15 (today). Thank you, as always for your generous support.
