

5th and 6th Grade Supplies List

We are looking to take a new approach for the 5th and 6th Grade Supplies List next school year. In years past we have listed items and requested you to purchase them prior to the beginning of the school year. With an ever-changing academic setting and interest in limiting paper usage we are trying to become more technology friendly.

Our vision for this year is to request a monetary donation of \$30 to go towards supplies and project materials. This will allow the teaching staff to purchase the items we feel necessary, while being flexible with a new style of instruction. We are looking to become more project based and hands on rather than worksheet and note-taking dominant.

It is our hope that with this monetary value we can find appropriate supplies and materials to support your child's education and limit the hassle of back to school shopping for you!

This donation will cover supplies for E.L.A., Math, Religion, Science, Social Studies and Spanish and can be made by the first week of the school year.

If you have any questions, comments or concerns I can be reached via email: riley.mcgraw@stambroselatham.com.
