

Workforce Solutions Navigators

Stationed at the
Metropolitan Multi-Services Center
1475 W Gray St
Houston, TX 77019

Wednesdays
9am – 12:00pm

The Navigator's primary role is to ensure that customers with disabilities are able to utilize all services offered by Workforce Solutions.

Types of assistance Navigators offer include:

- Information about and how to use assistive technology
- Assistance finding solutions to physical, communications and/or access challenges for customers with disabilities
- Linking customers to resources that can help them reach their employment goals

Workforce Solutions is an Equal Opportunity Employer program. Equal
opportunity and affirmative action program for individuals with disabilities.
