Accommodations for Online Learning Beginning August 31, 2020

In light of the recent announcement from Governor Ralph Dlg. Torres and the Governor's COVID-19 Task Force that "all public and private schools in the Commonwealth shall remain closed for in-person instruction and activities until further notice," beginning August 31, Mount Carmel School will adjust its online learning program to help our families with the following accommodations:

FLEXIBLE ONLINE OPTIONS FOR FAMILIES WITH CHILDCARE NEEDS

- We will excuse K-6 students who cannot attend synchronous classes due to working parents who have difficulty arranging for childcare during normal working hours. (An official request must be submitted with supporting documentation and approved by a student's teacher.)
- All synchronous class material for K-6 classes, such as lectures and in-class materials, will be made available and accessible asynchronously for students and families to access at a time more convenient for them.
- The school will also explore alternative scheduling configurations to help families whose work schedules make it difficult to arrange for childcare during normal working hours.

MORE ENGAGEMENT FOR JUNIOR HIGH AND HIGH SCHOOL STUDENTS

- We will reconfigure course schedules for grades 7 through 12 in order to increase the frequency of interaction between students and their teachers.

More details will be provided next week as the plans and infrastructure for these accommodations are finalized.

Sincerely in Christ,

Galvin Deleon Guerrero, EdD
President
