

St. Elizabeth School

November 19, 2020

**Make sure you test positive for *Faith*.
Keep distance from *Doubt*, and isolate from *Fear*.
Trust God through it all.**

We are counting on you!

It will be essential to have the cooperation of our families and students for our plan to be successful. It's vital everyone follow all necessary safety precautions OUTSIDE of school. As we approach the holiday season, please play it safe. Wear your masks. Wash your hands frequently. We will continue to take each school day as they come. Our goal is to keep our doors open for in person learning as long as we are able to maintain safety procedures while operating in daily unknown challenges. Health and safety remain our top concerns and we will continue making decisions as needed.

Traveling....

It has been highly recommended by the governor. If you are traveling out of town, your child is asked to quarantine from school for 14 days, upon their return home.

Wishing you a very happy and blessed Thanksgiving!

Chromebooks: They still are on the back order list. The devices are educational versions, which means they are more durable along with other added features. We understand the frustration and appreciate your patience.

Remember: If you are sick, STAY HOME!

Students should not come to school if they or anyone in their home shows any of the following symptoms:

- Feeling feverish or has a measured temperature greater than or equal to 99.8 degrees
- Cough
- Shortness of breath or difficulty breathing
- Chills and/or repeated shaking with chills
- Sore throat
- Loss of taste or smell
- Diarrhea, nausea, and/or abdominal pain
- Headache (accompanied by another symptom)
- Known close contact with a person who has tested positive for COVID (**defined by the CDC as being within 6 feet of another person for 15 consecutive minutes or longer**)
- Used fever reducing medicine in the last 24 hours
