### Parish Life Center Roof:

Thank you preschool families for your flexibility this week with the parking lot. We had hoped it would have been done sooner and not caused a change in drop off and pick up. Fingers crossed it will be done soon. We are very grateful to all the people who donated to the roof project. Volunteers have been working inside this week to give it a new face lift as well.

**Protecting God's Children Class:**  
**Holy Family Church**  
**September 27th, 1 - 4 pm.**  
**Call 877-7158 to register.**

**Kindergarten - 8th grade:**  
**Parent teacher conferences will be held virtually. A link to sign up for a time slot will be sent out by Mrs. Joyce.**

### Testing:

This week we have been blessed with very few hiccups during testing. Remote learners joined the testing sessions from their homes. Our school internet was able to withstand multiple classrooms on the same website at the same time and not crash. Thank you for your support with this process as our school learns and adjusts to a new form of assessment. The overall classroom feedback will provide our school staff with a wealth of information.

## Remember: If you are sick, STAY HOME!

*Spirit store items should be delivered by Monday.*

### Halloween:

The annual costume parade has been canceled for our school this year. We will still have Halloween classroom parties on October 30th. Parents are not able to come in for the parties. Costumes will not be allowed to come to school, but it will be an out of uniform day with Halloween shirts (orange / black colors) encouraged. If you want to help organize the party please reach out to classroom teacher to see what their individual classroom plans are. We want to continue to have a fun filled, safe day!
