

Use of Student Chromebook Agreement

Saint Elizabeth School

1. Chromebook Guidelines

- The Chromebook that is issued to you is the property of Saint Elizabeth School. It is made available to you as a tool for learning.
- Like textbooks and other school property, a Chromebook is assigned to the student and **MUST** be returned to the School at the end of the checkout term or upon withdrawal or transfer.
- The use of a Chromebook is a privilege that can be revoked. Inappropriate use or neglect of a Chromebook can result in limits to or loss of use of the Chromebook.
- It is the expectation that students will bring the Chromebook to school each day charged and ready to use.
- Students are not permitted to alter the configuration or functionality of the Chromebook that has been established by the School.
- Students are not permitted to tamper with the management profiles/settings on the Chromebook in any way. These are essential for device security and efficient administration of the Chromebook.
- Students must also not remove any stickers on the chromebook. They are there to help keep us organized and know who has what chromebook.
- Students must not leave the Chromebook unattended at any time. While at school, students must follow all school procedures for securing Chromebooks when necessary (athletic activities, etc.).

2. Handling and Care of Chromebook

- Any loss or theft of a Chromebook must be reported to the school immediately, so that recovery efforts can be initiated.
- Any damages to the Chromebook must be reported to the school for repairs. Students are not permitted to perform repairs on their own or through 3rd-party service providers.
- Do not permanently mark the Chromebook or Chromebook case in any way.
- The Chromebook is labeled with a number on the device which corresponds to the Chromebook number listed on this form. Do not remove or cover this sticker.

- The Chromebook must always remain in the school-provided case.
- Do not insert foreign objects (paperclips, pens, etc.) into the ports (openings) of the Chromebook.
- Never close the Chromebook with a pencil, pen, marker or other object between the keyboard and the screen.
- Always open the Chromebook along the edges of the lid. Never place a finger on the screen when opening the lid.
- Always store your Chromebook in the closed position.
- Do not leave your Chromebook unattended in a vehicle.
- Do not use your Chromebook near bodies of water or sand like a pool, lake, river, or beach.
- Do not leave your Chromebook outside or in extreme high or low temperature environments.
- Do not eat or drink near the Chromebook.
- Make sure your hands are clean before using the Chromebook
- Only use a dry clean soft cloth to gently clean the Chromebook.
- Never use liquids or spray cleaners on the Chromebook.
- Be careful when inserting or removing headphones from the audio jack.
- Be sure to line the charging cable up with the Chromebook when inserting and removing the cable.
- If you have hardware or software problems with your Chromebook, stop using the device and ask your school's Computer Technician or a teacher for help.

3. Internet Guidelines

- The Technology Promises must always be followed.
- Any inappropriate web or email activity can result in loss of the Chromebook privilege.
- The Chromebooks are managed by a centralized management system. The School may remotely change, modify, or otherwise alter device and user settings as needed to meet the educational and safety needs of students.

- Schools will be using monitoring and management software that will allow them to monitor and restrict content on any Chromebook to ensure efficient and safe instructional use in the classroom.

4. Student Usage and Interaction Guidelines

- Always be kind in your communication.
- Follow all expectations and rules established by your teachers.
- Keep your username and password to yourself. Never share this information with other students.
- Follow all internet safety guidelines.
- Use the laptop for school appropriate assignments and materials.
- Use your school email for educational purposes. Do not give them out to others. Remember, all emails are archived by the school and may be reviewed if there is a concern.

5. Parents

- The Chromebook is meant for student use only. It is not meant to be a family computer or to be used by siblings in any way that would compromise access by the student.
- Parents should monitor the use of the computer at home to ensure that its primary function is academic and that students are completing assigned school work rather than excessive gaming, chatting, etc.
- As with textbooks, athletic equipment, musical instruments, and other school property, parents/guardians are responsible for fees associated with lost or damaged Chromebooks and/or power adapters. The full replacement price for devices are as follows:

Chromebook: \$220.00

Power Adapter: \$35.00

Case: \$25.00

Key:\$7.00

By signing below parent/guardian and student acknowledge the following:

- My student and I have read and will comply with the St. Elizabeth School Use of Student Chromebook Agreement.

- I understand that the student may:

- Lose their Chromebook privileges because of inappropriate behavior.
You will be subject to consequences in accordance with the severity of offense as outlined in School Policy and the student code of conduct.
- Be financially responsible for intentional damage, neglect, or avoidable loss to any school issued Chromebook.

- All items must be returned at the end of the checkout term. I understand that I will be charged for any intentional damage, neglect, or avoidable loss.
