## 2021 ANNUAL APPEAL

The 2021 Annual Appeal is here! This year's theme is "Seeking Christ". To remind us in this time of hardship and need that Christ is the one, true source of the healing, unity, and love that we all seek. Through our collective support of the Annual Appeal, we strengthen the Body of Christ that is our local Church, and we sustain her many charitable works that serve the spiritual and other needs of all those within and beyond our parish boundaries. Parishioners will be asked to make a commitment to the 2021 Annual Appeal next weekend. Your gift will also be credited towards our parish goal. Learn more about the Annual Appeal at [appeal.adw.org](http://appeal.adw.org).

**MORALITY OF COVID VACCINE:** There exist some vaccines and medications that were produced unethically, in ways that violate the dignity of human beings; and in such cases, Catholics are not permitted to receive them. Thankfully, this is not the case for the currently available Covid vaccines. Our Catholic Church has declared the two FDA-approved vaccines (from Pfizer and Moderna) morally permissible to receive. Furthermore, our Pope and Bishops have strongly encouraged us to receive the vaccine for the sake of the common good. Here is a link to a letter from our Bishops for your consideration: <https://www.mdatholic.org/bishops-covid>. For questions about Catholic morality and biomedical ethics in general, please talk to Father or go to <https://www.ncbcenter.org/ask-a-question>
