What is the ONE THING that touched your heart today from the scripture readings, homily, music or prayers that inspires you to “Become the Best Version of Yourself” for this upcoming week?

We remember the men and women who have given their lives through the history of our country to protect us from danger and harm.

We remember all those who sustained injury in mind and/or body in the course of their service. Eternal God, bless and keep them in your healing love and abiding peace.
