St. Bonaventure Indian Mission and School, Thoreau, NM, is located in a rural area on the southeastern edge of the Navajo Nation. The school enrolls approximately 200 students from preschool through grade eight, more than 90 percent of whom live at, near or below the poverty level. The Mission works to provide affordable housing; delivers water to the homes of residents who lack mobility; provides quality new and used clothing, blankets and household items at nominal prices and for free to those in greatest need. When you use the St. Bonaventure monthly envelop, you support these efforts. For more information, visit <http://www.stbonaventuremission.org/>.
