HOW TO USE THE AED... that is located in church by the east bulletin board and also in the Parish Center by the front door was presented last Sunday during Coffee and Rolls. If you missed that opportunity or would like a quick refresher here is video that takes less than two minutes to view: <https://www.webmd.com/heart/video/how-to-use-aed>. Recently there was an occasion when the AED could have and perhaps should have been used but was not. Emergency personnel were called. But it takes time for them to arrive. Time that might make a difference. An AED, or automated external defibrillator, is used to help those experiencing sudden cardiac arrest. It's a sophisticated, yet easy-to-use, medical device that can analyze the heart's rhythm and, if necessary, deliver an electrical shock, or defibrillation, to help the heart re-establish an effective rhythm.

THANK YOU... to Dale Durler who swept the snow off the sidewalks last Sunday. Thanks for so many who do so many things to help us here at Saint Andrew and beyond.

RECORD OF 2018 CONTRIBUTIONS... may be found on the shelf in the southeast corner of the church vestibule. If there are any discrepancies with your own records, please visit with our Parish Bookkeeper, Georgina Paz, 227-1531, gpaz@dcdiocese.org.
