From the Pastor's Desk

Today as a Church, we conclude our liturgical year and celebrate the Solemnity of Christ the King. Pope Pius XI instituted this celebration in 1925 to reassert the sovereignty of Christ and the Church over all forms of government while at the same time, reminding Christians of the fidelity and loyalty they owed to Christ, who by his Incarnation and sacrificial death on the cross, had made them both adopted children of God and future citizens and heirs of the Kingdom of Heaven.

Now, Jesus' kingship is not the kind of king we might have imagined or expected. His kingship was not of a political ruler but of a spiritual one. It was hidden from many of his contemporaries, but those who had the eyes of faith were able to see, just like in our gospel this Sunday where we are confronted with the crucified Jesus, and yet our faith tells us that He is the King and Savior of all. The irony is that the inscription placed on the cross, perhaps in mockery, contains the profoundest of truth. As the leaders jeered, the thief crucified by his side recognized Him as Messiah and King, and finds salvation.

As modern disciples of Jesus, we, too, struggle at times to recognize Jesus as King. Today's Gospel invites us to make our own judgment. With eyes of faith, we, too, recognize that Jesus, the crucified One, is indeed King and Savior of all.

As we come to the last Sunday in our liturgical year, perhaps it would be good to reflect on the "four blessed looks": **LOOK BACK** and thank God; **LOOK FORWARD** and trust God; **LOOK AROUND** and serve God; **LOOK WITHIN** and find God.

I am sure that with these four blessed looks, we will be able to experience God and recognize Him as our King and Savior.

This coming Thanksgiving Day, our parish will be hosting a Thanksgiving Dinner for our community as a way of reaching out, especially to those who have nobody to celebrate with. We want to let them know that we are here to make their Thanksgiving Day special. Your support will be highly appreciated and this event can be an opportunity for us to love and serve God through our brothers and sisters who are probably longing for company on Thanksgiving Day.

"Gratitude is the inward feeling of kindness received. **Thankfulness** is the natural impulse to express that feeling. **Thanksgiving** is the following of that impulse." —Henry Van Dyke

TREASURES FROM OUR TRADITION

Today's solemnity, the final feast of the Church year, is a youngster as feasts go. In 1925, Pope Pius XI was distressed by global political upheaval and the de-Christianizing of society. That year was a "Holy Year," keyed to the sixteen hundredth anniversary of the Council of Nicaea, when the words "and of his kingdom there will be no end" were added to the Creed. The Pope explained that although most feasts had developed over many centuries, the Church sometimes provided a new feast to address new needs. He pointed to the Feast of the Sacred Heart of Jesus, showing Christ's love and compassion in a time when many people embraced a cold and gloomy spirituality. Originally on the last Sunday of October, in the late 1960's, the solemnity of Christ the King was moved to the last Sunday of the year.

Fresh from baptism's waters, we are anointed with chrism "as Christ was anointed priest, prophet, and king." This feast is a key to our identity. On this feast, we recognize Christ as a king who breaks the usual mold of kingship, and who shapes his kingdom with our hands, our words, our deeds of love and service.

If you are new to the area, we invite you to share fully in our parish life. Your presence brings vitality and new gifts to the community. Please take a moment to register. Forms are available at all of the church entrances or by calling the Administrative Office at 724-295-2281.

Parish Events/Information

“The Girl Who Stood Tall,” was just released by our very own parishioner, **Julia Ann Wesolosky!** Julia wrote the book as a 5th grade project at Buffalo Elementary. The assignment was to write about anything and Julia decided to write a pre-teen book about a girl attending a new school who gets bullied and how she overcomes it. Years ago, Julia had firsthand experience of being bullied at a previous school she attended. Julia loves to give inspiration. One of her sayings that she told a friend during art class at The Canvas, Artfully Yours in Freeport was: “If you judge yourself too hardly, you will never be aware of all the wonderful things you can do”. “The Girl Who Stood Tall” is currently available on Amazon and will be available at Barnes & Noble and Itunes. We couldn’t be prouder of Julia for her amazing achievement!

Julia will be reading her book and signing books at The Canvas on December 7th during Freeport’s Christmas celebration.

Blood Facts

How much do you know about blood? Here are some interesting facts that may help the next time you're at trivia night. But the most important fact is this: blood donation transforms lives of those who give and those who receive!

There is no substitute for blood. It is essential for life. It carries oxygen and nutrients throughout the body, fights infections and helps heal wounds. Blood donors are amazing. When you roll up your sleeve to donate, you make an immeasurable difference. Thank you!

Quick Blood Facts

- Blood makes up about 7 percent of your body's weight
- There are 10 to 12 pints of blood in the body of an average adult
- One in 7 people entering a hospital will need blood
- Every two seconds someone in the U.S. needs blood
- Blood travels through 60,000 miles of vessels inside you, enough to wrap around the earth's equator roughly 2.5 times
- Your body makes 180 million red blood cells per hour
- Red blood cells live about 120 days in the circulatory system
- Red blood cells carry oxygen throughout the body and must be transfused into a patient within 42 days
- Platelets promote blood clotting and must be used within five days
- Plasma is 92 percent water, carries nutrients throughout the body and can be frozen up to one year
- Blood or plasma that comes from people who have been paid for it is not used for human transfusion. Instead, it's made into pharmaceutical products

Emily

Emily is grateful for every precious moment spent with daughter Lucy. After Lucy's birth, Emily started bleeding uncontrollably. She recovered after receiving more than 30 transfusions of red blood cells and platelets. She even met her newborn for the first time while receiving a blood transfusion in the ICU.

"If you haven't given blood before, I hope you think about what it means to people like me," Emily said. "It's one of the easiest, most generous and life-changing things you can do."
