30-Thousand Priests & Nuns

Instructions—

1. Draw a Priest face or a Nun face on the craft sticks— Please note the Nun's face is drawn slightly lower to accommodate her veil once she's completed. A fine-point black sharpie works best.

2. Cut out the felt pieces— Priests— Cassock = 5 1/4 inches by 1 1/4 inches approximately
Collars = 1 1/2 inches approximately
Sleeves = 4 1/4 inches approximately

- Nuns— Habits = 5 1/4 inches by 1 1/4 inches, with a slight flare at hem approximately
Veil = 2 inches by 3 inches, approximately
Sleeves = 4 1/4 inches approximately

One 72" yard of felt should make about 450 outfits & sleeves

One & one-eighth yard for 450 veils **

3. Assemble using a hot glue gun— (Low temp glue is fine and safer) to apply the habits, veils, cassocks, collars, and sleeves. The veil is mitered by dots of hot glue on the reverse side.

Attach the prayer request card at a slight angle— as pictured— to give our little priests & nuns additional personality

4. Use hot glue to attach a 1.5- inch magnet to the back of the stick. Peel the white paper from the adhesive side and run a bead of glue for a more secure attachment

Note—the magnet is positioned on the lower 2/3rds of the stick
