## First Fruits 2019 - 2020

12 September 2020

The Most Holy Name of Mary

Beloved,

Essential to our faith is having a place to offer to God our first fruits in thanksgiving for all that He has done for us. As your priest, I strive to be a good steward of those gifts and would like to share with you this report of our last fiscal year.

This past year has been unprecedented in challenges and opportunities. We navigated a worldwide crisis and adapted our ministry in many new ways to reach the isolated. This past year we said goodbye to Deacon Frank and are grateful for his years of service to this community. All the while we also worked to continuing to grow our ministry so that we can reach new students and let them know they have a home here in this wonderful community.

Thank you all for your prayers and support this past year! May God bless and protect you all with His never failing care.

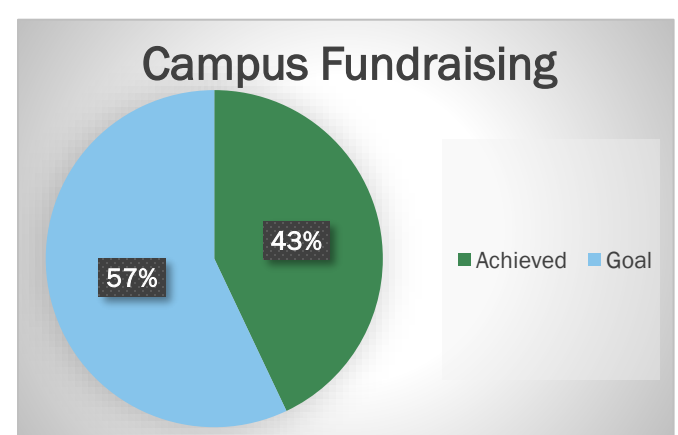

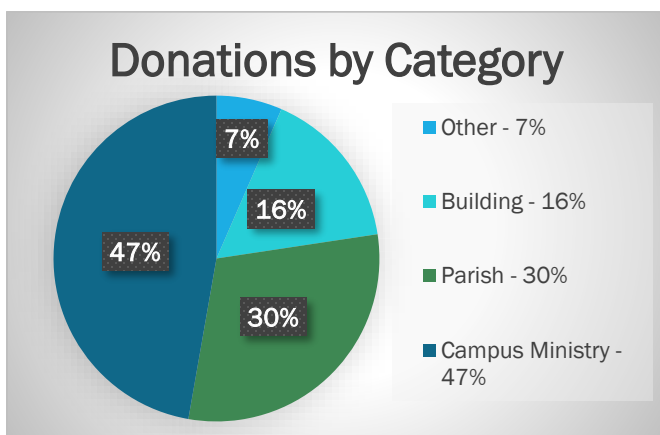

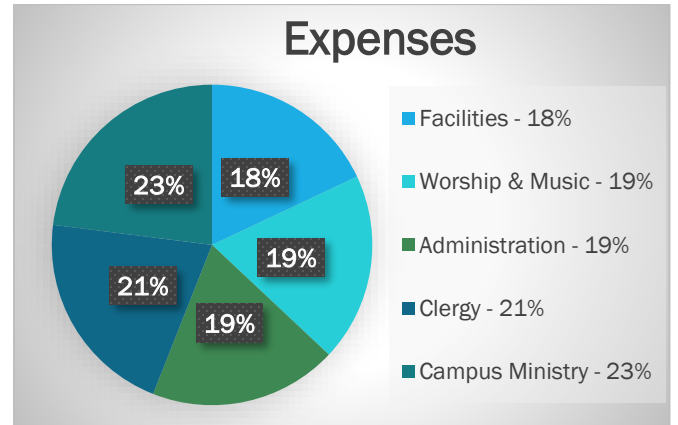

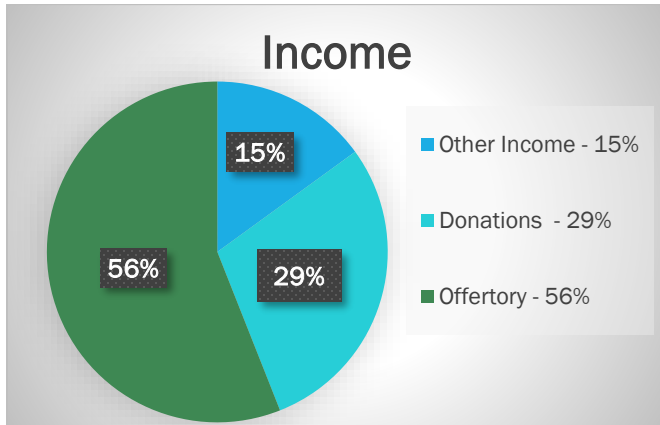

*Fr. Justin*

In Christ,

Rev. Justin P. Paskert
