

# *St. Francis de Sales Parish School* *Participating Parishioner Policy*

*At St. Francis de Sales Parish we strive to provide a quality education for your child/ren as economically as possible. Tuition does not cover all the costs associated with educating your child. The Parish subsidizes the tuition of “Participating Parishioners” in the amount of approximately \$1250 per child. As all contributing parishioners are supporting the education of our parish school children, we feel that it is important that Parish School families:*

1. Participate in the faith life of the Parish, especially coming together for Sunday Eucharist.
2. Support the Parish financially on a regular basis through Sunday envelopes or EFT.
3. Participate in Parish and/or School related functions and programs, with a minimum of 20 volunteer hours per family required each year.
4. Register in the parish and update their name, address, and telephone numbers as needed.

These requirements must be met for the family to qualify for the in-parish tuition amount. The requirement for volunteer hours may be fulfilled with either or both parish and school activities. (see below) These hours are accumulated from July 1 to June 30, the Parish’s fiscal year, and apply to the next School year. As part of the registration process, each School family is asked to document its volunteer hours during the current year. To do this, please complete the back of this form.

In addition, each family’s Sunday contribution to the Parish is reviewed.
