**Are you interested in the Catholic Faith?**

Holy Rosary will soon begin a new journey in faith to share the richness of the Catholic Church and our parish family. We invite you to learn what the Church teaches, and be introduced to some of our parish members. These also are opportunities for you, and others that you may wish to invite, to ask those perplexing and difficult questions you may have about the Church. These gatherings are for inquirers and are open to people who are not baptized, as well as those who are baptized Christians from Protestant or Evangelical backgrounds or baptized Catholic but have not received Eucharist and Confirmation.

The first session is on Tuesday, September 8, 2015, 7:00-9:00 p.m., in the Adult Ed Room of the school, located next to Holy Rosary Church. Please contact Father Joseph Previte or Anne DeMarco at 216-421-2995 if you have questions or would like further information.

My Dear Parish Family,

It is not often that the Church draws upon the Letter of St. James for use in the Sunday liturgy. Personally, I regret that because this short letter is one of my personal favorites. I find the messages contain “concentrated” nuggets of wisdom that St. James received as he prayerfully pastored his first century congregation. The passage from today’s reading seems to relate to a first-hand experience he had in his church that has present day applications.

In just a few sentences, he paints a vivid picture of a discriminatory offering of hospitality. Two strangers enter their congregation, one is dressed to the nines and the other is, well, shabby looking. The first gets the royal treatment and the second is, at best, tolerated and held in suspicion. The pastor’s words are strong and direct, “*My brothers and sisters, show no partiality as you adhere to the faith in our glorious Lord Jesus Christ.*” In other words, he is saying that to apply a superficial standard to judge a person’s qualifications to enter and join in the liturgical celebration is out of the question.

Let us remember that we, as a Church, are in the business of proclaiming the good news of salvation won for us by our Lord Jesus Christ. Since when does a person’s appearance or bank account determine their receptivity to this good news? If anything, the gospel indicates that the opposite is true – that the poor are better disposed to hear the good news because they have fewer alternatives. Let us remember where Jesus went to call His first disciples. Did He go to the Sanhedrin or the established aristocracy that were well dressed and wealthy? No, He began on the shores of the Sea of Galilee to call fishermen, to the tax booth to call a publican and to a protest rally to call a zealot. I’m sure there were no “*gold rings and fine clothes*” among this group.

Hospitality comes from the Greek word *philoxenia*, which literally means “love of strangers.” This is a virtue that we at Holy Rosary must always try to continue to practice not only during the Feast but every time we gather to worship. This practice has to go farther than just inviting folks down for coffee and donuts. Nothing displays the true colors of a congregation more clearly than how they worship and how they welcome a stranger to that celebration. As the unique Roman Catholic presence in University Circle, we always have “strangers to love” in our midst. All of us, not just the ushers and greeters, must take the opportunity to practice this virtue during each and every Sunday liturgy – even it means sliding down the pew from our favorite seat at Mass to welcome a newcomer. You may be wondering at this point if your deacon has lost his mind but, is that too much to ask for the sake of building the Kingdom?

*Peace of Christ,*  
Deacon Bruce

**Mission Appeal Sunday, September 19-20**

Father Neil Pezzulo, from the Glenmary Home Missioners, will visit Holy Rosary for all Masses on September 19th and 20th to speak about the missionary work his Society is doing in serving the spiritually and materially poor right here in the U.S. This collection for Glenmary Home Missioners marks the annual Mission Awareness presentation promoted by our diocesan Society for the Propagation of the Faith (Mission Office).

Hundreds of U.S. counties do not have a resident priest and in many of these counties the Catholic Church is not present. That means no celebration of the Eucharist, no sacraments, not even a parish community to find support. Glenmary Home Missionaries is trying to fill the void – to bring the love of Jesus and His Church to the small towns and rural areas of our nation.

This is a wonderful opportunity to hear of the Glenmary apostolate in Appalachia and the rural South and to offer our prayers and financial support for their important ministry in the Church. We ask you in advance to please be generous. Thank you.
