My Dear Parish Family,

I am a survivor. If you, too, were born in the middle of the last century you also are a survivor. We survived riding our bikes without helmets, riding in the family station wagon without seat belts, playing in the summer sun as a child all day without UV protection and ingesting far more sodium in our daily diets than the USDA would say is healthy. Today, presumably older and wiser, we are careful to use sunglasses and sunscreen so as not to absorb too much light and we carefully monitor our intake of salt. Today’s Gospel, however, calls us to be “the light of the world” and “the salt of the earth.” So whose advice should we follow, Our Lord’s or our primary care physician?

The Lord is telling His disciples, and you and me, that we are already the salt, the necessary element for everyday life. In the arid ancient climate of the Holy Land, salt was the only chemical that could prevent meat, fish and other goods from spoiling too rapidly. Jesus is telling the disciples that they are the agents by which all the goodness and the flavor of humanity will be preserved. To put it bluntly, the saltiness of our lives in Christ is means to prevent our world from completely rotting away.

We are also called to be this dark world’s light. Notice, the Lord does not say you are “in the spotlight,” that is the center of attention. We are not to desire the light to shine upon us but to have the light shine through us. The emanation of light from us is the light of Christ burning within us. Its purpose is not to draw people to us but to the source of the light within us, that is Christ. We are called to be a light that illumines our world with the light of the Gospel. Jesus even says the purpose is “so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.”

If we embrace this command to be light and salt then we will be exposed to the world as a disciple of Christ Jesus. We will be “A city set on a mountain cannot be hidden,” with nowhere to hide. It will give our life the meaning it was meant to have. It may endanger our status as a member of this secular culture but not to worry. If we survived riding our bikes without a helmet, we can with the help of God survive this as well!

Peace of Christ,
Deacon Bruce
