

Youth Ministry Best Practices

Name: Johnny Montanez

Parish: St. John's Cathedral

What were things like before using your best practice?

The struggle was actually having a day to meet . We went from Monday to Saturday and now we meet on Fridays.

Describe the best practice:

By uniting Confirmation Class as a requirement to the Youth group many young people have remained and help with Confirmation and Youth Group. A big part of the Ministry is the music, prayers, biblical skits, fellowship and retreats.

The results:

Many teens have come and started inviting their family and friends.
