# Around the World in 6 days

Around the World in 6 day is an adventure into 5 different exciting countries. Each day is a different stop in your worldwide travels. Make an igloo in Canada, spot Nessie on the shores of Scotland, discover Flamenco dancing in Spain, and take a hula lesson in Hawaii. Everyday will be filled with art, math, science, music and movement and tons of exploring. Let your child have a “staycation” at St. Paul’s with our teachers as their tour guide.

# Oscar's Ocean

Let's make waves! Let your little ones discover the wonders of under the sea and other ocean studies. Oscars Ocean will 6 fun days of learning about sea creatures, boats, beaches, and much more! Sign your little one up for exciting sea travel right here at St. Paul's ECP. It's an underwater extravaganza! Classes are from 9:30-1:30. You pack a lunch and snacks are provided.
