JUDY HEHR

Grace, Gifts and Gratitude

Judy Hehr simply cannot be described; she must be experienced. The power behind her emotional life journey and the style in which she shares her message cannot be defined.

Judy's often heartbreaking story of bankruptcy at 20 to a single, homeless, drug addicted college dropout at 22 and scorned, broken, and almost divorced at 37 is contrasted by her becoming a millionaire at 30, a healthy mother of 4 at 34, a seminary graduate at 42, and sanctified in a thriving marriage at 45.

Judy's story will expand your self-awareness, rekindle your love for Christ, and encourage your own personal relationship with God.
