FROM THE DESK OF FATHER PAVINO

A wise man said once "Waiting is painful. Forgetting is painful. But not knowing which to do is the worst kind of suffering." If you spend your whole life waiting for the storm, you will never enjoy the sunshine. If you are the kind of person who is waiting for the 'right' thing to happen, you might wait for a long time. It is like waiting for all the traffic lights to be green for five miles before starting the trip.

Biblically, waiting is not just something we have to do until we get what we want. Waiting is part of the process of becoming what God wants us to be. Waiting is essential to the spiritual life. However, waiting as a disciple of Jesus is not an empty waiting. It is a waiting with a promise in our hearts that makes already present what we are waiting for.

We wait during Advent for the birth of Jesus. We wait after Easter for the coming of the Spirit, and after the ascension of Jesus, we wait for his coming again in glory. We are always waiting, but it is a waiting in the conviction that we have already seen God's footsteps. Waiting for God is an active, alert - yes, joyful - waiting.

As we wait, we remember him for whom we are waiting, and as we remember him we create a community ready to welcome him when he comes. "I am still confident of this: I will see the goodness of the Lord in the land of the living.

Wait for the Lord; be strong and take heart and wait for the Lord." - Psalm 27: 13, 14

PLEASE PRAY FOR OUR SICK & HOSPITALIZED:
