**MAY THEY REST IN PEACE**

For the Deceased Members of our Parish. We especially pray for Rose Trotti, Laura Ann Buccellato, Carmen Janchez Martinez and Irene Ruiz.
The Advent Season is well under way, and some of our families have asked how they can make the season special for their families. This question has several different types of answers; however, I am going with one that involves the building up of the Domestic Church. The term “Domestic Church” refers to the family, the smallest body of gathered believers in Christ. Though recovered only recently, the term dates all the way back to the first century AD. The Greek word ecclesia referred to “little church.” Our Early Church Fathers understood that the home was fertile ground for discipleship, sanctification, and holiness. So here are some suggestions for Advent family activities.

First is to have an Advent wreath. The Advent Wreath has been meant to be a family tradition. So, let’s not overcomplicate this. The simplest Advent wreath is made up of four candles and some fir greens. If Advent has already started, that’s ok. Just go ahead and put your wreath together, then light the first candle one evening and let it burn down a little. Catching up isn’t hard to do. There are also a number of Saints celebrated during this month. Each one has a number of traditions that are easy to celebrate. December 6 is St. Nicholas day. The tradition is to stuff shoes with candies and treats for the children. This is not as unhygienic as it sounds! Have children put their shoes out, tell them the story of St. Nicholas, fill the shoes with goodies. Even just a few cookies in a ziplock baggie will do, although bags of chocolate gold coins are more in keeping with the legend and its meaning. Next comes the Solemnity of the Immaculate Conception on December 8. Actually, this is not optional since it’s a holy day of obligation, or as I like to say opportunity, but it doesn’t involve any prep and it always falls during Advent. It is important for children to understand what this Solemnity means for the history of our salvation in Christ. On December 9 celebrate the feast of St. Juan Diego or on December 12 the Feast of Our Lady of Guadalupe. This may be as easy as eating Mexican food for dinner or telling the story of the appearance of Our Lady. If you have a statue of our Lady of Guadalupe, set her on the table as a centerpiece. St. Lucia (Lucy’s) feast day is on December 13. Take the family out for a drive and look at Christmas lights. This tradition started because St. Lucy’s name means “light”. What a fun and easy way to celebrate this great feast day!

The Third Sunday of Advent is called Gaudete Sunday– the Sunday of our Joy. This year it is also the last full week of Advent; the Fourth Sunday falls on December 24! So with grace before meals our families may want to sing one verse of a favorite religious Christmas carol. Well known carols include: Away in a Manger, Silent Night, O Come All Ye Faithful, etc. If you only know the first verse, just sing it several times in a row. And of course, Put out a Nativity set. We should put it front and center in our homes. A mantel is a great choice if our homes have one; if not under the tree is a favorite place. This is an easy way to send a message that Jesus is the reason for the season!

On December 16, we as a parish will celebrate a special day of Reconciliation. This is an opportunity to attend confession as a family. This is a great way to prepare for the coming of our Savior. Finally, on December 24 have a Baby Jesus hunt for when we as families place him in our nativity set for Christmas. This is one of my favorite traditions, and so easy! A parent or grandparent hides the statue of the infant Jesus somewhere in the house. Don’t make it too hard to find Him! The one who finds the statue then gathers the family together and places the statue in the manger. After singing “Away in the Manger,” it is time to get ready for the rest of the day’s events: family Mass, preparing seven fishes, or resting! No matter how we celebrate Advent, I hope these suggestions are helpful as we wait and prepare for the coming of the Lord. Let us continue to pray for another as we await the Season of our Joy!
A feast called the Conception of Mary arose in the Eastern Church in the seventh century. It came to the West in the eighth century. In the 11th century it received its present name, the Immaculate Conception. In the 18th century it became a feast of the universal Church. It is now recognized as a solemnity. In 1854, Pius IX solemnly proclaimed: “The most Blessed Virgin Mary, in the first instant of her conception, by a singular grace and privilege granted by almighty God, in view of the merits of Jesus Christ, the savior of the human race, was preserved free from all stain of original sin.”

It took a long time for this doctrine to develop. While many Fathers and Doctors of the Church considered Mary the greatest and holiest of the saints, they often had difficulty in seeing Mary as sinless—either at her conception or throughout her life. This is one of the Church teachings that arose more from the piety of the faithful than from the insights of brilliant theologians. Even such champions of Mary as Bernard of Clairvaux and Thomas Aquinas could not see theological justification for this teaching. Two Franciscans, William of Ware and Blessed John Duns Scotus, helped develop the theology. They pointed out that Mary’s Immaculate Conception enhances Jesus’ redemptive work. Other members of the human race are cleansed from original sin after birth. In Mary, Jesus’ work was so powerful as to prevent original sin at the outset.

In Luke 1:28 the angel Gabriel, speaking on God’s behalf, addresses Mary as “full of grace” or “highly favored.” In that context, this phrase means that Mary is receiving all the special divine help necessary for the task ahead. However, the Church grows in understanding with the help of the Holy Spirit. The Spirit led the Church, especially non-theologians, to the insight that Mary had to be the most perfect work of God next to the Incarnation. Or rather, Mary’s intimate association with the Incarnation called for the special involvement of God in Mary’s whole life. The logic of piety helped God’s people to believe that Mary was full of grace and free of sin from the first moment of her existence. Moreover, this great privilege of Mary is the highlight of all that God has done in Jesus. Rightly understood, the incomparable holiness of Mary shows forth the incomparable goodness of God.

The Little Servant Sisters of the Immaculate Conception

God in His providence brought about the religious family of the Little Servant Sisters of the Immaculate Conception through an outstanding celibate lay apostle, Blessed Edmund Bojanowski, on May 3, 1850 in Poland. Led by the light of the Gospel and the mind of the Church, furthermore motivated by Christian love he acted directly in the temporal sphere as a forerunner, almost one hundred years before, of the theme of Vatican Council II on the renewal of the temporal order by the laity. Thanks to his sensitivity and openness to the needs of the human person, particularly the defenseless and the most needy - the child, the sick and the poor - he knew how to read the times and respond generously to them.

"In so far as you have done this to one of the least of these my brothers, you have done it to me" (Matthew 25:40) Blessed Edmund became a father to orphans and a servant to the poor and the sick. He also organized libraries and established daycare and preschool centers. With confidence and zeal he was able to inspire and encourage young women to the service of love, and founded the Congregation of the Little Servant Sisters of the Immaculate Conception on May 3, 1850. Blessed Edmund set before the members Mary Immaculate, who at God's call responded generously, "I am the handmaid of the Lord, let what you have said be done to me" (Luke 1:38) and initiated also a splendid service for the whole of humanity, a service extended to all generations.

Having been called to a life consecrated to God in our Congregation of the Little Servant Sisters of the Immaculate Conception and grateful for the grace of the religious vocation, they are determined to fulfill faithfully the mission which God has assigned us in the Church through our Father Founder. His founding charism is a gift of grace freely given by God for strengthening and building up the Church. Therefore in this Congregation the sisters are motivated by their Founder’s charism in spirituality and apostolate with the constant need for fidelity to his founding charism and subsequent spiritual tradition. Throughout the world these Sisters realize their charism of service.

In keeping with Blessed Edmund’s spirit and aim, each sister lives her mission out of love for God loved most of all and with Christ as her model in the service of her neighbor most in need of help, spiritual and material, especially children, the poor and the sick. As its distinctive works this Congregation undertakes: the Christian upbringing and education of children and youth, catechesis, charitable activity among the poor and the sick and also other forms of apostolic work, according to the original spirit and the current needs of the Church. For the growth of the kingdom of God and the benefit of the neighbors these Sisters give occasion not only by word, prayer and apostolic activity, but also give witness to Christ by personal example.
2019 Annual Catholic Appeal Prayer

God and Father of all gifts, we praise you, the source of all who we are. Teach us to acknowledge always with generous gratitude the many good things your infinite love has given us, as we support the work of the Church in Brooklyn and Queens.

Open our hearts that we may answer your call to follow the message of the Gospel as disciples in love and service, so that all may come to know You by the example of our faith and good works.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen

Holy Trinity Catholic Church
Our Appeal Goal: $54,274.00

The 2019 Annual Catholic Appeal, Faith and Good Works, reminds us that the work of the Church is shared by all believers in response to the gifts of faith and love. In 2018 161 Holy Trinity parishioners participated in the Appeal! To date, 141 parishioners have responded to the 2019 Appeal. Our goal is $54,274. As of December 2, they have pledged $71,889 with $68,664 received. This represents 132% pledged. Last year, your generosity allowed us to almost complete our goal. A parish donation of $25,000 this year completed our goal assessment. All monies over our goal are placed into our Renovation Fund. The entire staff asks you to pray and consider if you have the faith, trust, and hope for our Diocese, please respond again this year. We realize the sacrifice that this entails; many still respond to the Generations of Faith Appeal. We thank you for your time, talent, and treasure in service of the Church.

Matthew 6:19-21: “Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.

Please Support our Diocese and Holy Trinity parish with your generosity!

MESSAGE OF HIS HOLINESS POPE FRANCIS  
THIRD WORLD DAY OF THE POOR  
34th Sunday in Ordinary Time  
17 November 2019

The hope of the poor shall not perish forever

6. In closeness to the poor, the Church comes to realize that she is one people, spread throughout many nations and called to ensure that no one feels a stranger or outcast, for she includes everyone in a shared journey of salvation. The situation of the poor obliges us not to keep our distance from the body of the Lord, who suffers in them. Instead, we are called to touch his flesh and to be personally committed in offering a service that is an authentic form of evangelization. Commitment to the promotion of the poor, including their social promotion, is not foreign to the proclamation of the Gospel. On the contrary, it manifests the realism of Christian faith and its historical validity. The love that gives life to faith in Jesus makes it impossible for his disciples to remain enclosed in a stifling individualism or withdrawn into small circles of spiritual intimacy, with no influence on social life (cf. Apostolic Exhortation Evangelii Gaudium, 183).

Recently, we were saddened by the death of a great apostle of the poor, Jean Vanier, whose dedication opened up new ways of showing solidarity with the marginalized and working for their advancement. God gave Jean Vanier the gift of devoting his entire life to our brothers and sisters with grave disabilities, people whom society often tends to exclude. He was one of those saints “next door”; thanks to his enthusiasm, he gathered around himself great numbers of young people, men and women, who worked daily to give love and restore a smile to many vulnerable persons, offering them a true “ark” of salvation from marginalization and solitude. His witness changed the life of countless persons and helped the world to look differently at those less fortunate than ourselves. The cry of the poor was heard and produced an unwavering hope, creating visible and tangible signs of a concrete love that even today we can touch with our hands.
