## **PALM WEAVING - Cross**

**Start with a long vertical strip of palm as shown in the upper left drawing.**

**Step 1 - Make a diagonal fold near the middle of the strip so that the top part of the strip extends out to the right.**

**Step 2 - Fold c over B so that the top of strip extends to the left.**

**Step 3 - Fold C end under B so that top of strip extends to the right again.**

**Step 4 - Fold A under B and through slot and pull tight (shape looks almost the same but B now has more slots).**

**Step 5 - Bring the A end up and through bottom slot at B and pull half way through and tuck A into top slot at B.**

**Step 6 - Bring C end over and through right slot at B and pull half way through and tuck C into left slot at B.**

**In step 4 be sure to pull end A all the way through, snug and tight but gently. It is this step that creates the flat knot that has the slots you will use in steps 5 and 6. When you have completed step 6, push/pull to adjust the limbs of the cross and shape it.**

**The size of the cross depends on the size of the palm strip that you use. Example: A palm strip size 13" long x 1/2 "wide, will create a cross that is approximately 2 1/2 inches tall.**

**Assistance for Victims of Sexual Abuse**

A relationship of faith and commitment exists between the Catholic Church and its members, and the public, whether they are children, young people, adults, or elderly. Sexual abuse in this context, or any other relationship, is a matter of grave concern. Knowledge of such abuse requires a Special response in order to facilitate the healing process and assure the safety of the community. The Diocese of Pensacola-Tallahassee has established Victim Assistance Coordinators who are experienced, trained counselors. They can help those who have been sexually abused by a priest, deacon, or other church personnel. The coordinator for the Pensacola/Ft. Walton area is Dr. Louis M. Makarowski - (850) 477-7181. For the Tallahassee / Panama City area contact James Gagnon, MSW, LCSW - (850) 877-0205.
