Thirty-Third Sunday of Ordinary Time

Know Our Patron Saint: St. Elizabeth of Hungary

Elizabeth of Hungary, also known as St. Elizabeth of Thuringia, was born in Hungary on July 7, 1207 to the Hungarian King Andrew II and Gertrude of Merania. While Elizabeth was very young, her father arranged for her to be married to Ludwig IV of Thuringia, a German nobleman. Because of this plan, Elizabeth was sent away at the age of four for education at the court of the Landgrave of Thuringia.

Elizabeth's mother, Gertrude, was murdered in 1213, when Elizabeth was just six-years-old. From this point on, Elizabeth's perspective on life and death dramatically changed and she sought peace with prayer. Happiness returned to her young life in 1221 when she was formally married to Ludwig, whom she deeply loved. Together the couple had three beautiful children, two of whom became members of nobility and the third entering the religious life, becoming abbess of a German convent.

Elizabeth continued to live a life full of prayer and a service to the poor. She began to lead an austere simple life, practiced penance, and devoted herself to works of charity. She used her royal position to advance her mission for charity. In 1223, Franciscan friars arrived in Thuringia and taught 16-year-old Elizabeth all about Francis of Assisi's ideals. She wore simple clothing and set aside time every day to take bread to hundreds of poor people in her land.

In 1226, when disease and floods struck Thuringia, Elizabeth took to caring for the victims. It is said she even gave away the royal's clothing and goods to the afflicted people. Elizabeth had a hospital built and provided for almost a thousand poor people daily. However, tragedy struck when Ludwig passed away from illness in 1227. Elizabeth vowed to never remarry and to live a life similar to a nun, despite pressure from relatives.

In 1228, Elizabeth joined the Third Order of St. Francis. She founded a hospital in honor of St. Francis, where she personally attended to the ill. She ministered to the sick and provided support to the poor. Elizabeth's life was consumed deeply by her devotion to God and her charitable labor. She passed away at the age of 24, on November 17, 1231 in Marburg, Hesse.

St. Elizabeth's feast day is celebrated on November 17 and she is the patron saint of bakers; beggars; brides; charities; death of children; homeless people; hospitals; Sisters of Mercy; widows. St. Elizabeth is often depicted with a basket of bread to show her devotion for the poor and hungry. She is also painted in honor of the "Miracle of Roses" and "Crucifix in the Bed."

BAA 2021-22: Caring for our Families in the Spirit of St. Joseph

In scripture, we find a prime example of good stewardship in the earthly father of Jesus. Recognizing that God entrusted him to the care and livelihood of the Savior of the world and the Blessed Mother, Joseph chose to discern God's guidance. Like Joseph, God has called us to be good stewards over all that He entrusts to us. Family is one of the invaluable assets God has bestowed upon us.

This year's theme for the Bishop's Annual Appeal, Caring for Our Families in the Spirit of St. Joseph, reminds us of our vital role in not only attending to our family but also our church and community families. Last year, our parish answered the call to serve others through support of the BAA. A total of **16** members from **St. Jules Church**, gave **\$1,055.00** and a total of **14** members of **St. Elizabeth Church**, gave **\$1,460.00** to the past year's successful campaign. Thank you for your support! Prayerfully, you will consider contributing to this year's campaign.

There will be a board placed in the back of St. Elizabeth Church for the Mausoleum. Please add your name if you are interested in purchasing a crypt. There will be crypts and cremation niches in this new mausoleum. Please ask the members of your family living out of town if they want to have a crypt at St. Elizabeth.
