

# St. Albert the Great Church Religious Education Program 2019-2020 Calendar

*Faith formation at St. Albert the Great Church will engage students in the learning of the Catholic faith while challenging them to deeper know, love, and serve Jesus Christ. There are two sessions that your student (Grades 1-9) can choose to attend which will either be Sunday morning or Wednesday evening. We also strongly encourage adults to freely attend adult religious enrichment sessions to model lifelong faith formation and grow in faith alongside their children. These adult sessions will take place during the same times as the sessions listed below.*

*\*\*\*When "Home Study" is listed for a session, there will be no in-class session but there will be a lesson to be done at home. Catechists will be reviewing the home study lessons the following week in class, so please be sure to complete the assigned lessons at home\*\*\**
