

# The Sacred Heart Letter Jacket

Some 2010 Sacred Heart Alumni donning their old letter jackets at a recent alumni basketball game. This may have been the last class to have a lot of CYO members get jackets.

It was a tradition at Sacred Heart for many of our athletes to purchase varsity jackets after they received their CYO Letter. We're not certain how or why that tradition ceased but we have received numerous inquiries into obtaining letter jackets once again. To that end, we have worked out an agreement with Park Athletic Supply on Roosevelt Street in Allen Park for the purchase of Sacred Heart Letter Jackets. The prices we obtained are better than the last time we made an order. We've also arranged for different, less expensive jacket options. **Ordering a jacket is totally optional.** They're great to wear to school, baseball games and cold weather baseball.

Ordering is very simple. Go to Park Athletic, bring your Letter (there is no charge to sew on the letter) and this flyer, get sized, pick out your embroidery and make your purchase. **It will take 6 to 8 weeks to receive your jacket. If you want it for basketball season/winter or as a Christmas gift (common back in the day) then you'd better act quickly.**

The embroidery and patches (grad year, etc) are up to you. Usually the jackets had the athlete name and letter on the front, Sacred Heart on top back, a shamrock graphic in middle back, and Shamrocks on the lower back. If you'd like anything else like 'Triple Threat' along the bottom back, whatever...that's up to you.
