Please find a replacement if you are unable to Lector at your assigned Mass or call your partner to be sure they will be there.

Leave the Lectionary on the ambo for the priest to read the Gospel, but put it in the ambo if a Deacon is reading the Gospel.

* Don't forget there is a **Lector Workbook in the Sacristy**. It should help us to be prepared for lecturing if we give it some time, rehearsal and reflection.

* Please return the binder and Lectionary to the Sacristy after Mass

*Please make every effort to arrive to Mass 15 minutes early when it is your turn to lector so you have time to receive any specific instructions from Father.

*If you find any errors or changes in preference:
