*"The one who is in you is greater than the one who is in the world." (1 John 4:4)*

Walking with Purpose is a women's Catholic Bible study held on Mondays from 9:30-11am in the center. It starts in September and ends in April. The program aims to bring women to a closer relationship with Christ. Personal study and small group discussions at WWP each week link our everyday challenges with the solutions given to us through the teachings of Christ and the Catholic Church. Contact Judy Hedge at [judeicons@gmail.com](mailto:judeicons@gmail.com).

**Catechism of the Catholic Church 654:** The Paschal mystery has two aspects: by his death, Christ liberates us from sin; by his Resurrection, he opens for us the way to new life. This new life is above all justification that reinstates us in God's grace, "so that as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life." Justification consists in both victory over the death caused by sin and a new participation in grace. It brings about filial adoption so that men become Christ's brethren, as Jesus himself called his disciples after his Resurrection: "Go and tell my brethren." We are brethren not by nature, but by the gift of grace, because that adoptive filiation gains us a real share in the life of the only Son, which was fully revealed in his Resurrection. (filial, filiation: family, father/ son relationship)
